Read:-

Copy of letter No. 9/47-48 Police (1) dated 10th August 1949 from the Assistant Secretary to the Government of India, New Delhi to the Secretary to the Government of Madras, Home Department, Madras.

I am directed to say that the Provincial Government' presumption that the position under the Indian Arms Act and Rules in regard to export of arms, ammunition etc., to Pondicherry is not altered by the termination of the Customs Union Agreement is correct. I am, however, to add that as a result of the termination of the Agreement the transit of goods between French India and the Indian Union is now subject to the payment of Indian Customs charges and the restriction relating to the export and import trade control.
